## "Freakin' Good Food"

Our lodge features a full service restaurant and bar, horses shoe pits, TV, and a large fireplace. We call it the lodge but we call it our home as well. Therefore, we welcome you into our home to enjoy our friends, our family and since you are holding this menu, our food.

Good food has many definitions. Our meaning is carefully prepared time tested recipes that we would serve to our loved ones, and ourselves. We make the very best effort to come up with unique and delicious offerings that, though they may not be on the menu forever, will be in your memory so it might inspire you to come up with something similar or better for your friends, and your family just as we do here.

So from our family to yours, please enjoy what we are so very passionate about, great company and incredible food.

Many Thanks,

~Rachel, Shane & Crew
